

MustDeliver

Driver Registration Guide

MustDeliver Registration Guide

1. Open the MustDeliver Driver app. You will see the login screen. Tap the **FIRST TIME USER? REGISTER** button to register a new driver account..

2. Enter your 10-digit Mobile Number and MC# and tap **NEXT**. Your mobile number and MC# will need to be verified so make sure they are valid and entered correctly.

3. If your MC number is verified as **Authorized for property**, you'll see the Success! screen. Click **NEXT** to progress. If your MC number is not found or returns **Not Authorized**, you will receive a message saying so. You cannot continue with your registration until your valid MC# is entered.

4. You should receive a 6-digit verification code via text to your mobile phone. Enter it and tap **NEXT**. If you did not receive the text, tap the Try again link, enter your mobile and MC# and tap **NEXT** to initiate the mobile verification.

ABA Routing Number: #####

Account Number: #####

Re-enter Account Number: #####

Date of Birth: MM/DD/YYYY

Last 4 of SSN:

Business Website URL (if you have one): www.website.com

ADD PAYMENT ACCOUNT

Powered by **stripe**

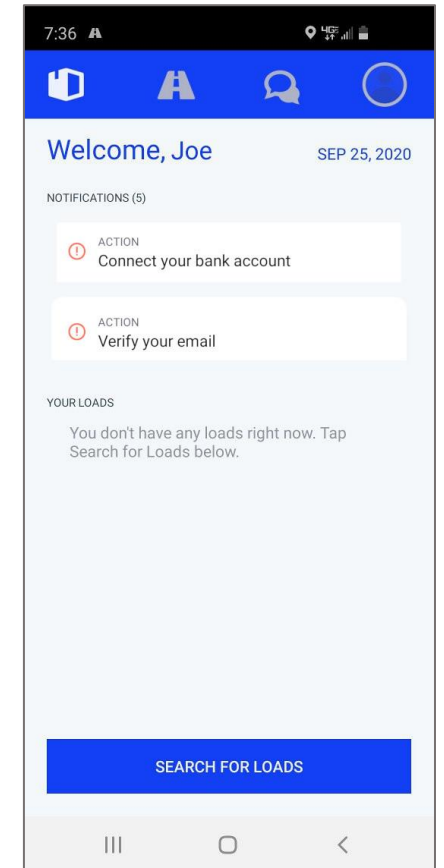

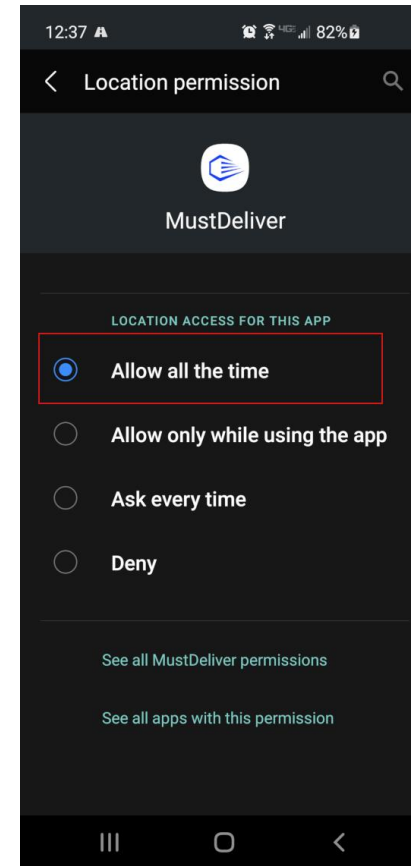

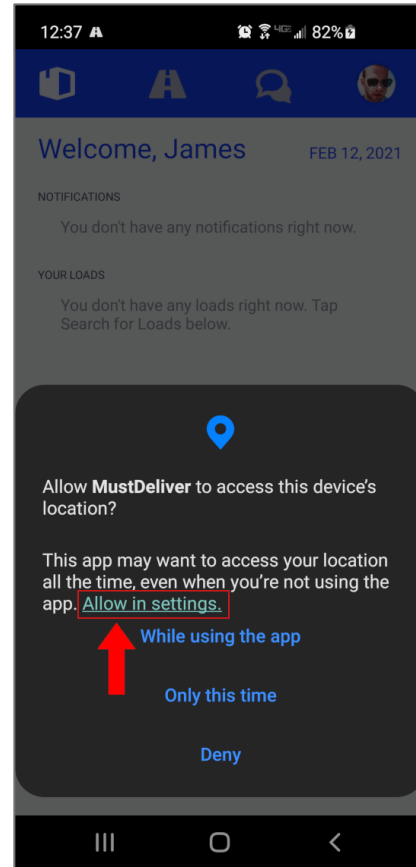

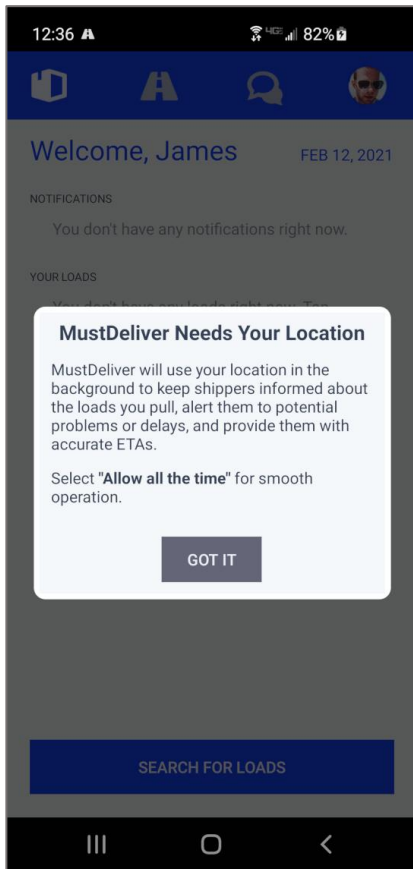

5. Fill in the form. All fields except Promo Code are required. Once filled in, tap **NEXT** to proceed. Note: you must accept MustDeliver's Terms & Conditions to register. Tap the [terms and conditions](#) text link to review our terms.

6. Review your information. If all looks correct, tap **NEXT**. If there is an error, tap the **BACK** button and correct it before proceeding.

7. You can connect your driver payment account now by tapping **CLAIM MY \$25**. (Note: reward may vary) If you choose to **SKIP**, you can connect your payment account later via the Profile screen.

8. If you choose to connect, fill out the Payment Account form. All fields are required except for Business Website URL. Once complete tap **ADD PAYMENT ACCOUNT**. *MustDeliver uses the trusted payment processor [Stripe](#) for securing driver accounts and processing payouts.*

MustDeliver Registration Guide

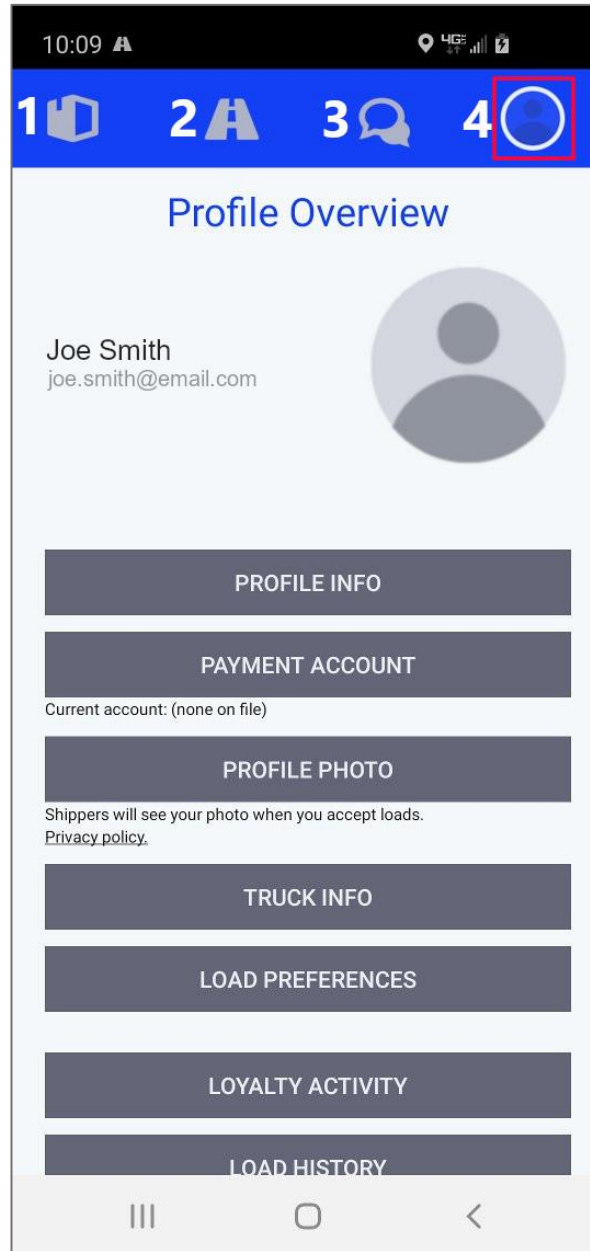

9. After connecting or skipping, you'll land on your Dashboard. A pop-up message notifies you that MustDeliver needs access to your location for reasons described in the message. Tap **GOT IT** to dismiss.
Note: iPhone location access process is slightly different

10. For best app performance, we recommend choosing the **"Allow all the time"** location permission setting. This is not offered within the prompt so tap the **Allow in settings** link.

11. Within MustDeliver Location permission settings select the **"Allow all the time option"**. Note: MustDeliver only uses your location to track the progress of the in transit MustDeliver loads to notify the shipper of the load's progress.

12. Your initial driver registration is now complete! Before searching for and booking loads you should complete the actions by tapping each listed under **NOTIFICATIONS**. Most important are:
-Uploading insurance
-Editing truck info
-Connecting bank account

MustDeliver Registration Guide

There are 4 main screens in the MustDeliver Driver app which correspond to the 4 gray navigation icons at the top of the screen (numbered in the image). The icon corresponding to the screen you're currently viewing is highlighted white. In this image the **Profile Overview** screen is being displayed and so the Profile icon is highlighted white. From left to right the main app screens/icons are:

1. Dashboard: *lists actions and your loads*
2. In Transit/Tracking: *progress map/ETA info for in transit load*
3. Messaging: *direct to shipper messaging available for awarded loads*
4. **Profile (shown): see below**

Many actions listed under NOTIFICATIONS on the Dashboard can also be completed or updated via the Profile Overview screen. Via the Profile Overview screen you can:

- Add/Update **PROFILE INFO** (notification preferences, COI upload)
- Add/Update **PAYMENT ACCOUNT**
- Add/Update **PROFILE PHOTO**
- Add/Update **TRUCK INFO** (truck/trailer type, special equipment)
- Add/Update **LOAD PREFERENCES** (deadhead, schedule, lanes)
- Check **LOYALTY ACTIVITY** (driver rewards balance, total miles)
- View past **LOAD HISTORY**
- **CHANGE PASSWORD**
- **LOGOUT**
- View additional information **ABOUT MUSTDELIVER** (app release, website link)
